

LEVY COUNTY DEVELOPMENT DEPARTMENT

“NOTICE TO PROPERTY OWNERS”

LEVY COUNTY LAND DEVELOPMENT REGULATIONS

DIVISION 4. DISTRICT REGULATIONS

LOT, YARD AND HEIGHT REGULATIONS

“It is the responsibility of the landowner to establish the true boundaries of the property, to enable the Development Department to confirm compliance with the setback requirements. On smaller parcels, this may be accomplished by the use of string or wire between corners, or by the staking out of the building foundation by licensed surveyor. Regardless of the size of the parcel, when there remains questions as to the compliance of set-backs, the Building Official or Building Inspector may require a Licensed Professional Surveyor to locate the foundation on a survey map and provide it to the office of the Building Official, the survey to be at the landowner’s expense.”

The Building Department strongly recommends that all applicants for building permits have the property surveyed and provide a to scale site plan prepared by a licensed professional.
