Levy County Animal Services Feral Spay/Neuter Program

Beginning Thursday, January 25, 2018, Levy County Residents can participate in the feral spay and neuter program. This program is for Levy County residents only and a driver's license showing proof of

address will be required. We will schedule 10 cats to be spayed/neutered once a month. We will not be setting all ten (10) slots for one person, preferably 3-4 cats per person at the most. Cats are to be dropped off on January 24, 2018, the day before the scheduled surgery and will be expected to leave on Friday, January 26th. **All cats must arrive in a cat trap.** If you do not have a trap, they can be obtained from us for a deposit of \$25 each (3-4) (cash or check). Caregivers may bring carriers that the cat(s) can go home in if they are planning on leaving the trap with us. If they are bringing the trap home with them they will have until Monday, January 29th to return it or their deposits will be cashed. All cats undergoing surgery will have their ear tipped (this cannot be declined by the caregiver of the cat). Next Month's surgeries will be scheduled on Thursday, February 22nd.

If you have any questions regarding this program, please contact our office at 352-486-5138.
